SPAWN Pathway to Judgment

It's been nearly a year since a man, formerly one of our government's greatest soldiers, was resurrected from the ashes of his own grave. Reborn into a creature from the depths of Hell, disfigured, homeless, and alone, this new warrior now wanders the hidden alleys of New York City in search of his past life trying to piece together his horrific and confusing existence.

This freshly created man known as SPAWN, whose body is nothing more than scars and torn flesh, struggles between the forces of Heaven and Hell. While shielding and shunning the bums in the alleys he now makes his home, SPAWN also takes on a brutal child abuser, a religious fanatic and the self-righteous and secretive Ku Klux Klan.

Join SPAWN as he battles those who are out to kill him while he tries to give meaning to why he exists in the first place. Through these adventures, he hopes to find out who the real enemies are and whom he can trust. For in this twisted world of shadow players, nothing is as it appears.
